

The image displays a digital card game interface for Star Wars: The Force Awakens. The top section features the 'Geonosian Warriors' card, which is a Trooper with 45 health and the ability 'Death From Above'. The bottom section features the 'B2 Super Battle Droids' card, which is a Droid Trooper with 2 health and the ability 'AI: Attack'. The interface includes a central battlefield area, a deck of cards, and various game mechanics like 'Sonic Blasters' and 'Wrist Rockets'.

The image shows a digital interface for the Star Wars: The Force Awakens board game. It features three main cards: 'B2 SUPER BATTLE DROIDS' (cost 64), 'GEONSIAN WARRIORS' (cost 45), and another 'GEONSIAN WARRIORS' card (cost 45). The interface includes various icons, text, and a central display area. The top card shows a large illustration of the droids and a '64' cost. The middle card shows a large illustration of the warriors and a '45' cost. The bottom card shows a large illustration of the warriors and a '45' cost. The interface includes various icons, text, and a central display area.

The image displays three BX-Series Droid Commandos from the Star Wars: The Force Awakens board game. The cards are arranged vertically, showing their abilities and stats. The top card is the 'IG-100 Magnaguard' with abilities: AI: Dodge, Move Charge; Guardian 2: Immune: Melee Pierce; Retinue: Unhindered. The middle card is the 'BX-Series Droid Commandos' with abilities: AI: Dodge, Move Impervious; Scale Scout 3; Sharpshooter 1. The bottom card is the 'BX-Series Droid Commandos' with abilities: AI: Dodge, Move Impervious; Scale Scout 3; Sharpshooter 1. The cards are set against a background of a Star Wars planet with a large red sun.

The main game board area features a large illustration of the Persuader-class Tank Droid at the top, firing a red laser. Below the illustration, the text 'PERSUADER-CLASS TANK DROID' is written in a stylized font. To the right of the illustration, there are three icons: a green hexagon with a white '1', a green hexagon with a white '2', and a green hexagon with a white '3'. Below these icons, the text 'ARMOR 5. ARSENAL 3' is written. To the right of this text, the text 'DIRECT: ▲ TROOPER UNIT' is written. Below this text, the text 'PROGRAMMED' is written. To the right of this text, the text 'REPOSITION' is written. Below this text, the text 'SPECIAL ISSUE: EXPERIMENTAL DROIDS' is written. To the right of this text, the text 'WEAK POINT 1: SIDES' is written. At the bottom of the board, there are two tables. The first table is for 'HEAVY BLASTERS' and the second table is for 'PROTOTYPE ION CANNONS'. Each table has a 'FIXED' column and a 'WEAK POINT' column.

The image shows a blue and white AAT Battle Tank in a lush, green jungle environment. The tank is equipped with a large red laser cannon and a smaller blue laser cannon. It is surrounded by dense foliage, including large green leaves and a large, dark, horned creature in the foreground. The tank is positioned on a path, and there are other smaller vehicles visible in the background. The overall scene is vibrant and detailed, with a focus on the tank's design and its environment.
