SPIDER STRIKE

- After this attack is resolved, this character gains $\oplus$ equal to the $\otimes$ dealt.
- $\otimes$ **Momentum**: After this attack is resolved, choose another enemy character within $\oplus 2$ of the defender. Place this character within $\oplus 1$ of the chosen character. The chosen character suffers a collision as if this character were Thrown into them.

WHATEVER A SPIDER CAN

- After this attack is resolved, this character may Advance $\mathbb{M}$.
- $\otimes$ **Catch!**: After this attack is resolved, you may choose an interactive terrain feature of $\mathbb{I} 2$ or less within $\oplus 3$ of this character and destroy it. The defender suffers a collision as if the terrain feature were Thrown into it.

FRIENDLY NEIGHBORHOOD SPIDER-TEAM (AFFILIATION: WEB WARRIORS)

Once per Turn, during an allied character's Activation, it may spend 1 $\oplus$ and choose an enemy character within $\oplus 2$. The chosen character gains the Slow special condition. If the chosen character already had the Slow special condition, Place it within $\oplus 1$ of its current position and remove the Slow special condition.

WEB SWING

Place this character within $\oplus 3$ of its current position. The next time it makes a **Spider Strike** this Turn, add 2 dice to the attack roll. This superpower can be used only once per Turn.

WITTY BANTER

If an enemy character within $\oplus 3$ of this character is attacking an allied character, this character may use this superpower during the **Modify Opponent's Dice** step. This character may reroll 1 die in the attack roll.

MASTERED SPIDER-SENSE

Whenever this character rolls dice, after the effect is resolved, it gains 1 $\oplus$ if it rolled at least 1 $\otimes$. Additionally, this character may reroll any number of its defense or dodge dice.
