

FORMATS

EFFECTIVE 12/1/2026

ATOMIC MASS GAMES

FORMATS:

Below you will find the Roster building restrictions for the different Formats. Each Format contains up to three lists: one for Restricted components, one for Banned components, and one for what components you are allowed to include in your Roster.

During all Organized Play events, a Player may include 2 components from the Restricted list corresponding to the Format being used for the event in their Roster.

During all Organized Play events, a Player may not include components on the Banned list corresponding to the Format being used for the event in their Roster.

During all Organized Play events, a Player must only include components on the Included list corresponding to the Format being used for the event in their Squad

EXTENDED FORMAT
