

GAME RULES

UNLOCK!

SHORT ADVENTURES

This cooperative card game brings the excitement of escape rooms to your living room. The **Unlock!** Short Adventures series offers shorter adventures than the **Unlock!** 3-scenario boxes.

These cards provide the basics of the **UNLOCK!** game.

Detailed rules are available at:

<https://www.spacecowboys.fr/unlock-short-adventures-en>.

You can also refer to the **step-by-step Tutorial** in the dedicated **UNLOCK!** app.

THE APP

To begin, **download** the **free UNLOCK!** app on your smartphone or tablet.

◀ App Store

Google Play ▶

NOTHING IS EASIER THAN PLAYING UNLOCK!

Play **UNLOCK!** as a team or alone. First, sit at a table, then **place the deck facedown on the table, or divide the deck among several player without revealing or spreading out the cards.**

Once ready, launch the **app**, **click** on the **“SHORT ADVENTURES”** section, then select the adventure you want to play.

GAME OVERVIEW

Each time you **see a number (or a letter)** on a card, **look for the matching card** in the deck. Then, **flip it over** and read the text.

IMPORTANT: some numbers may be hidden.

CARD TYPES

GRAY CARDS

These cards provide **places/locations, information,** and **sometimes numbers** that allow you to reveal new cards.

RED or BLUE cards

A **blue card** can be combined with either a **red card** or a **+2% red modifier**. A **red card** can be combined with either a **blue card** or a **-2% blue modifier**. To do so, add the card numbers in question together, or add the modifier to the card number.

If the result matches a card from your deck, you can reveal it.

GREEN cards (*machines*)

In the **app**, press , then enter the **green card number**. Your screen will then display the machine you will **interact with**. While doing so, keep in mind that UNLOCK! is, above all, a **puzzle game!**

DISCARDING CARDS

The top of some cards depict **crossed-out numbers** and/or **letters**. You should immediately **discard** the corresponding cards as they will not be used again during the game.

THE UNLOCK! APP

The app is your “**assistant**”. It is essential in **managing your time** (timer), **accessing machines**, and **providing hints**. If you are stuck in the adventure, press the  **button**, then **enter the card number** for which you need one or more hints. The app can also provide you with the **solution if you cannot solve a puzzle**. You can also find the detailed solutions at <https://www.spacecowboys.fr/unlock-short-adventures-en>.

Now that you know the basics of the UNLOCK! rules, you can start playing!

Work together to solve the puzzles of the adventure that awaits you. Communicating and sharing your ideas are the keys to your success!

Read aloud the Introduction card of the adventure you are about to play and follow the instructions carefully!

IMPORTANT

This product has been manufactured with all possible care. However, before you start playing, make sure that your deck is complete (**thirty cards**). To do so, **check the card numbers at the bottom of each card back (XX/30)**. Should the deck be incomplete, please contact us at **contact@spacecowboys.fr**, and we will send you the missing cards in a timely fashion.
