Enjoy the City of Lights!

A new destination in the Ticket to Ride Cities line: PARIS!

France – February 2, 2024 Ticket to Ride: Paris, the sixth release in the “Cities” line of Alan R. Moon’s celebrated game, will be available on March 29, 2024. Find yourself transported to the glamorous Paris of the roaring twenties. Jump aboard an open platform bus, cruise down les Champs-Élysées, admire the Eiffel Tower and conclude your day by enjoying a picturesque sunset from a charming terrace in Montmartre.

This line is made of standalone games that are shorter and smaller than the classic edition. After New York, London, Amsterdam, San Francisco and Berlin, players will make routes in a new famous city. In Ticket to Ride Paris, players race one another to visit the most iconic locations of the city and complete their Destination Tickets. The winning player will efficiently utilize the Parisian bus network in this new and very unique board map. In terms of gameplay mechanics, Ticket to Ride: Paris introduces a new rule twist that doesn't add complexity to the game: players need to collect blue, white, and red cards to form the French flag and earn victory points. This challenge adds extra excitement to reaching destinations and keeps suspense high until the end of the game! These new challenges add strategic choices that are accessible to beginners, but will be especially enjoyable for experienced players.

Ticket to Ride: Paris is one of the best ways to jump into the Ticket to Ride universe. The game is designed for players ages 8 and up, with simple rules that the whole family can learn quickly. Take it on the go and have a full Ticket to Ride experience in just 15 minutes, whether you’re playing at home or at the bar with your friends.

Ticket to Ride: Paris will be available starting March 29, 2024 for a suggested retail price of 22,99€//\$24.99.

Number of players: 2-4

Ages: 8+

Game length: 10-15 min.
