

Press Release

The second expansion of HEAT, Tunnel Vision, speeds into Spain and the Netherlands!

Paris, France – January 3, 2025 – Days of Wonder kicks off the new year full throttle! *HEAT: Pedal to the Metal*, crowned 2022 Best Gateway Game by BoardGameGeek and 2022 Game of the Year by Dice Tower, is revving up with its latest experience: the *Tunnel Vision* expansion. This time, racers will speed through the perilous Pyrenean tunnels and devour the asphalt of the Netherlands track. Featuring two race tracks, new Tunnel rules, and game components for an additional player, this thrilling expansion by Asger Harding Granerud and Daniel Skjold Pedersen delivers fresh challenges for *HEAT: Pedal to the Metal* without compromising its signature adrenaline-fueled gameplay.

New Tracks, New Challenges

The *Tunnel Vision* expansion introduces two new challenging race tracks:

- **The Spanish Grand Prix** takes your car through dangerous tunnels, forcing you to trust your instincts in the semi-darkness
- **The Netherlands Circuit** allows you to open your engine to full throttle before throwing you into a succession of treacherous corners.

Enhanced Gameplay

This expansion brings captivating new mechanics:

- **Front Wing Upgrade Cards**, enabling strategic maneuvers and daring overtakes.
- **Chicanes and Tunnels** for more technical, high-intensity races.
- **New Event Cards** to recreate electrifying atmosphere of the 1965 racing season.
- An **additional player**, thanks to the included components, allowing for even more competitive and memorable races.

Tunnel Rules: What Happens in the Darkness?

While your car is inside a tunnel, you cannot discard any cards from your hand—intensifying every decision you make!
