Days of Wonder Announces *Ticket to Ride: New York*

Race through New York City in this express version of the classic game.

Paris, France – May 15th, 2018. Today, Days of Wonder announced *Ticket to Ride: New York*, a new, express version of the well-known board game *Ticket to Ride*.

Welcome to the Big Apple! Enjoy the sights from Times Square to Brooklyn, and all over NYC. Admire the stunning view from the Empire State Building or take a walk through scenic Central Park!

Ticket to Ride: New York is an elegantly simple version of *Ticket to Ride* where players race around 1960s New York City, this time in taxis, to visit landmarks and complete destination tickets. With its quick and compact format, *Ticket to Ride: New York* is fast-paced, easy to learn in three minutes, and extremely portable—perfect for new players and veterans alike.

“My mother always told me good things come in small packages. *Ticket to Ride: New York* is just the latest example of how right she was!” says Alan R. Moon, *Ticket to Ride* designer. “This is the fastest way for new players to enter the *Ticket to Ride* world, but it’s also a rewarding fifteen minutes game for *Ticket to Ride* veterans.”

Ticket to Ride: New York is a stand-alone game designed for 2 to 4 players and plays in 10 to 15 minutes. It includes one board map, 60 plastic taxis, 44 Transportation cards, 18 Destination Ticket cards, 1 rule leaflet, 1 score pad and one pencil. *Ticket to Ride: New York* will be available in July for a retail price of \$20/20€ in North America and Europe, and available exclusively at Target stores and Target.com in the U.S.
