### **Days of Wonder Announces *Ticket to Ride: Amsterdam***

*Race through the capital of the Golden Age with this quick and small version of the classic game.*

**Paris, France – May 7th, 2020.** Today, Days of Wonder announced the release of *Ticket to Ride: Amsterdam*, a new, quick version of the well-known board game *Ticket to Ride*.

Welcome to the 17<sup>th</sup> Century. You are in the middle of the *Gouden Eeuw*, the Dutch Golden Age. Amsterdam is the beating heart of global trade and the wealthiest city on Earth. Goods from around the world are piling up on the docks, in ship holds, in warehouses, and on the banks of its countless canals.

This is an elegantly simple version of *Ticket to Ride* where players race one another, this time in cart, to claim the most lucrative commercial routes, fulfill rewarding trade contracts, and collect precious merchandise from the bustling streets of this legendary city. *Ticket to Ride: Amsterdam* is fast-paced, easy to learn in three minutes, and extremely portable—perfect for new players and veterans alike.

“Amsterdam follows in the path of New York and London. This time, you need to cart your spices, porcelain and silk around the city to become the most prosperous merchant of the Golden Age” says Alan R. Moon, *Ticket to Ride* designer.

*Ticket to Ride: Amsterdam* is a stand-alone game designed for 2 to 4 players and plays in 10 to 15 minutes. It includes 1 board map, 64 plastic Carts, 44 Transportation cards, 24 Destination Ticket cards, 16 Merchandise Bonus cards, 4 Scoring Markers and 1 rule leaflet. *Ticket to Ride: Amsterdam* is expected to be available in July in Europe and in September in North America at a suggested retail price of \$20/20€.
