Train station. Moves around. Appears and disappears.

Only brings children

Town of Promise

Region of Promise

The waterways CHANGE. Map not reliable for water travel.

Eventually you find the Fog, then you end up back in town. Usually. Sometimes right away, sometimes the Fog persists for hours...

Bones in the water

Vein tree. Do not approach

Makes no sense

Opossum? No...too many teeth

Mutanted humans? Something else?

Blue light burns them. Inbreeding?
