

ARKHAM HORROR[®]

THE CARD GAME

ON THE ROAD AGAIN Parallel Investigator Rules

On the Road Again is a print and play rules set for *Arkham Horror: The Card Game* that provides an alternate version of “Ashcan” Pete, previously released in *The Dunwich Legacy Investigator Expansion*. In order to play this investigator, a copy of the *Arkham Horror: The Card Game* core set is required.

Parallel Investigators

Parallel investigators are alternate, print-and-play versions of investigators from existing *Arkham Horror: The Card Game* products. These investigators, along with their advanced signature cards, are fully playable in any scenario or campaign.

☞ When building an “Ashcan” Pete deck, you may choose whether to use the original version or the parallel version of both his front side and his back side. Each version has its own advantages and disadvantages. You can also mix and match the two versions. This means that you can use both original sides, both parallel sides, the original front side and parallel back side, or the parallel front side and original back side.

Replacement Cards

Signature cards with the Replacement keyword are optional replacements for the given card. When building a deck, you may choose to replace the specific cards listed under “Deckbuilding Requirements” with all of that investigator’s replacement cards. Doing so satisfies your Deckbuilding Requirements. During a campaign, this choice cannot be unmade.

For example: Luis is building an “Ashcan” Pete deck. Duke and Wracked by Nightmares are listed under Deckbuilding Requirements for “Ashcan” Pete. Luis may choose to instead replace those two cards with Pete’s Guitar and Hard Times.

You may also choose to include all cards listed under “Deckbuilding Requirements” as well as all of that investigator’s replacement cards. Replacement cards added in this manner do not count towards the investigator’s deck size.

For example: Luis is building an “Ashcan” Pete deck. Instead of deciding between his typical signature cards and his replacement signature cards, Luis may choose to add all four cards to his deck.

Expansion Icon

The cards in the parallel investigator series can be identified by this symbol before each card’s collector number:
