EVENT

Burn After Reading

Insight.

Discard or exile a non-weakness card in your hand or play area. Discover clues at your location equal to half that card's level (rounded up). If you exiled that card and its level was 2 or higher, also remove 1 doom from the current agenda.

**Card design by the Council-in-Exile
at Gen Con 2020**

Permission to print support items for individual use only. Not for commercial use, not for retail sale.
