CHAMPIONS

THE CARD GAME

ANGEL HERO PACK

Angel was a member of the X-Men until the evil Apocalypse transformed him into the Archangel of Death. Angel escaped Apocalypse's influence, but he still struggles to control the powerful, but brutal, Archangel persona within him.

Foldable Cards

Warren Worthington III's identity card is a foldable, "three-sided" card. One side is his alter-ego form, one side is his Angel hero form, and the inside of the card is his Archangel hero form. Changing form with a three-sided card follows the standard rules for changing form. While this identity card is in play (in any form), other characters with the title Angel or Archangel and the subtitle Warren Worthington III cannot enter play.

New Card Type: Player Side Scheme

Player side schemes are a new player card type. During a player's turn, they can play a player side scheme from their hand by paying its resource cost, placing it next to the main scheme, and putting threat on it equal to its starting threat value. While in play, player side schemes function the same as side schemes from the encounter deck, except that they are player cards and are subject to the **PLAYER SIDE SCHEME LIMIT**. This limit restricts the players to having at most one player side scheme in play if one or two players started the game, or at most two player side schemes if three or four players started the game. If the players exceed the player side scheme limit, the first player chooses and discards player side schemes from play to their owners' discard piles until they no longer exceed the limit. Each of the player side schemes in this product has the victory X keyword, so these schemes are placed in the victory display when they are defeated.

Featured Keyword: Alliance

When a player declares their intention to play an alliance card, any player may help pay the costs for that card.

Featured Keyword: Piercing

An attack with piercing discards any tough status cards from the target of the attack before dealing damage.

Featured Keyword: Team-Up

The team-up keyword names two characters. To include a card with the team-up keyword in your deck, your chosen identity must match one of the named characters. Additionally, a card with team-up cannot be played unless both of the named characters (*identity* or *ally*) are in play.

Featured Keyword: Victory X

When a card with the victory X keyword is defeated, place it in the victory display instead of its owner's discard pile.

ANGEL / WARREN WORTHINGTON III

Warren has two different hero forms: the agile Angel and the deadly Archangel. The Archangel form is very effective at dealing damage, but take care as Archangel's 0 THW and printed acceleration icon can cause threat to spiral out of control. Change back to Angel form when you need to pull back from the brink of destruction.

With the Protection aspect, Angel gains benefits for defending, like removing threat from side schemes using Containment Strategy and healing damage with Angel's Aerie. Use Ever Vigilant to ready your hero and then Taunt the villain for another opportunity to defend.
