To complete an achievement in a game with three or more players, you must satisfy its condition **and you must win the game**. If you do, write your name in the slot next to that achievement so no one forgets your legacy!

- ◆ **Warfare Proficiency:** Score a subtotal of at least 25 victory points on Warfare.
- ◆ **Reinforced Borders:** Claim every asset node in the war grid.
- ◆ **Minister of War:** Win every war without building any infantry.

SPECIAL

- ◆ **Exemplar:** Achieve a winning score at or above the highest score bracket for the chosen difficulty (120+ for multiplayer).
- ◆ **Hyper-Focused:** Unlock all four focus dice of one type without unlocking any other focus dice.
- ◆ **I Know a Squid Who Knows a Squid:** Claim all specialty assets across all sheets.
- ◆ **Minister of Sciences:** Unlock all technologies.
- ◆ **A Real Scrapper:** Claim all 🛡️ (red) commodities on all sheets.
- ◆ **Space Cats Sees Squirrels:** You cannot choose the same sheet to be your active sheet consecutively.
- ◆ **Try-Hard:** Complete all four objectives **and** complete more objectives first than any other player.

FACTION (SET 1)

- ◆ **Arborec:** You cannot unlock planets except by using your Bioplasmosis ability.
- ◆ **Embers of Muaat:** You must mark all eight nodes around each anomaly on the war grid.
- ◆ **Federation of Sol:** You must use your Versatile ability during each strategy event.
- ◆ **Sardakk N'orr:** After you choose an active sheet, if your previous active sheet was a different sheet, you must cross out the name of that previous sheet. Sheets with their name crossed out cannot be chosen to be active again.
- ◆ **Titans of Ul:** You cannot unlock more than one planet.
- ◆ **Vuil'Raith Cabal:** You must have five captives on each of three different sheets.
- ◆ **Winnu:** You must claim Mecatol Rex, and it must be the first or last system you claim.
- ◆ **Yin Brotherhood:** You must use your Devotion ability if claiming a ⚔ asset would cause you to have more claimed ⚔ assets than crossed-out ⚔ assets.
