For a Crown

's Trophies

Not satisfied with the crown?

Try to complete personal objectives!

After each game, if you complete the conditions of one or more objectives, check off the corresponding trophy spaces.

Make sure to keep this sheet between games.

Can you gain all the trophies?

Attention: You cannot complete personal objectives if you are out of play.

Easy

Play a game with each family.

Recruit a Mercenary that costs 5 Coins.

Make another family lose their Heirloom.

Win 1 game.

1

Medium

Have the most Coins at the end of the game.

Have the most Masked Bandits at the end of the game.

Be the most influential family at the end of the game.

Have more Coins than Rubies at the end of the game.

Make a non-aggression alliance with another family and keep it until the end of the game.

Make a non-aggression alliance with another family and break it by making them lose 2 Rubies in one turn.

Do not recruit any Mercenaries with the Masked Bandit effect during the entire game.

Difficult

Keep your Heirloom until the end of the game.

Win the game with less than 5 Rubies.

Win the game as the least influential family.

Win the game as the richest and most influential family.

Win the game having recruited two Level 5 Mercenaries.

Play with 15 different people (write their names below).
