

BEGGAR

Starting with the player to your left and going clockwise, hold out your hand to each player. If they have more Coins than you at this moment, they must give you 1 Coin.

CHEATER

If you have 10 or more Coins, you immediately win the game.

EMPRESS

Take 3 Coins from the Bank.

FOOL

Take 1 Coin from the Bank. Then take the Mask cards from two other players, without looking, and exchange them or pretend to exchange them.

GURU

Force another player to announce their Mask, then reveal their card. If it does not match the announced Mask, they must give you 4 Coins. Otherwise, nothing happens.

JUDGE

Take all the Coins on the Justice board.

KING

Take 2 Coins from the Bank.

PATRON

Take 3 Coins from the Bank. The players to your left and right each take 1 Coin from the Bank.

PEASANT x2

Take 1 Coin from the Bank. However, if both Peasant Masks are revealed, each Peasant takes 2 Coins.

PRINCESS

Take 2 Coins from the Bank. Then choose a player who must show their Mask card to everyone, without looking at it themselves.

PUPPETEER

Choose two other players and take 1 Coin from each of them. Then, these two players physically swap seats. Their Mask cards and wealth stay at their original seats.

SORCERESS

You can exchange your wealth with another player of your choice.

SPY

Secretly look at another player's Mask card and your own card, then exchange them or pretend to exchange them.

THIEF

Take 1 Coin from the players to your left and right.

TRICKSTER

Take 2 Coins from the richest player (excluding you).

WIDOW

Take Coins from the Bank until you have 10 total.
