SOLUTION

THE PILOT'S TURN:

- Ask the Containment Specialist to play the Special Orders event card. This will allow the Pilot to move one other player pawn as if it were the Pilot.

1. Using the new ability, the Pilot moves the Quarantine Specialist with the Pilot's "fly" ability to Lagos.

2. The Pilot moves the Quarantine Specialist with the Pilot's "fly" ability to Cairo. Baghdad, Khartoum, and Algiers are now protected by the Quarantine Specialist's ability.

3. The Pilot "flies" to Mexico City.

4. The Pilot takes the Containment Specialist with them and flies to Jakarta City. Due to the Containment Specialist's ability, one red cube is automatically removed from Jakarta.
