SOLUTION

THE VIROLOGIST'S TURN:

- Ask the Containment Specialist to play the Mobile Hospital and Call to Mobilize event cards.
 - Using the Call to Mobilize event card:
 - The Containment Specialist takes the Drive/Ferry action to Moskva and then Kyiv. Because of the Containment Specialist's ability, you remove one cube from each of these cities.
 - The Virologist takes the Drive/Ferry action to Hamburg and then København. Because Mobile Hospital is in play, you remove one cube from each of these cities.
1. Using the Virologist's ability remove one red cube from Athína.
 2. Using the Direct Flight action, discard the București card to fly directly to București.
 3. Drive/Ferry to Kyiv. Because Mobile Hospital is still in play, remove one cube from Kyiv.
 4. Drive/Ferry to Moskva. Because Mobile Hospital is still in play, remove the final cube from Moskva.
