

◆ QUEST B69: THE LITTLE DAPPLED CHICKEN

MEDIUM / 6 SURVIVORS / 90 MINUTES

Design and Development: Marco PORTUGAL

A variant of the Zombie virus is spreading across the land. The undead have begun twitching and moving in strange, erratic patterns like chickens. It almost looks like a bizarre dance, as if some odd curse has taken hold of them.

Legends speak of a Sacred Chicken, a rare bird with blue feathers and white spots, said to be immune to the disease. Its eggs are rumored to hold the key to a powerful potion capable of curing this affliction.

Can we find this mythical creature and save our land from this gallinaceous plague?
