Rory's
Story Cubes®

How to play

When playing with family and friends, take turns as the storyteller. The storyteller rolls all nine cubes.

Begin with '*Once Upon a Time*' and tell a story that links together all nine face-up images. Start with the first image to grab your attention. Use three cubes for the beginning, three for the middle and three for the end of the story. There is one rule: there are no wrong answers.

Instant Encounters:

Use to generate characters and events for your favourite fantasy role playing game.

Use your imagination:

Around the world, people are inventing their own ways to play with Rory's Story Cubes®. What fun ways to play will you discover?
